<b>Parent or Guardian signature required if registering for Powwow Princess Contest</b>	
I authorize my child to register for the Stewart Father's Day Powwow Princess Contest. I understand that should she win, she will be the recognized representative ambassador for the annual Stewart Father's Day Powwow. In attending powwows and other events during the year of her reign I understand that it would be at the personal expense of our family and I agree to support her efforts in honoring the former Stewart Indian School.
